Year-wise details of courses, credits for Choice Based Credit System (CBCS) B. A./B.Sc./B. Com is listed in the following tables.

Students Course-wise Assessment and Evaluation

All courses involve an evaluation system of **students** that has the following two components: -

(i) **Continuous Comprehensive Assessment (CCA)** accounting for 30% of the final grade that a student gets in a course; and

(ii) **End-Year Examination (ESE)** accounting for the remaining 70% of the final grade that the student gets in a course.

i. Continuous Comprehensive Assessment (CCA): This would have the following components:

A. Classroom Attendance – Each student will have to attend a minimum of 75% Lectures / Tutorials / Practicals. A student having less than 75% attendance will not be allowed to appear in the End-Year Examination (ESE).

- Those having between 74% and 65% attendance will apply for exemption in a prescribed form accompanied by clear reason(s) for absence to the head of the institution.
- Those having between 64% and 50% attendance will apply for exemption in a prescribed form accompanied by a Medical Certificate from a Government Hospital to the head of the institution.
- The exemption from 75% attendance will be given to those participating in prescribed co-curricular activities (e.g. NCC, NSS, Youth Festivals, Sports etc.) to the extent of 25%. However, the condition of 50% attendance will be compulsory in these cases. The claim for this exemption should be supported by authenticated certificate from the concerned authorities.
- The candidates those getting the exemptions, except for those getting exemptions for co-curricular activities, will not be entitled for getting the CCA marks for classroom attendance as given below.

Classroom Attendance Incentive: The incentive for the classroom attendance (for those participating in Co-curricular activities, 25% will be added to per cent attendance) will be awarded CCA marks as follows: -

Marks for Attendance: below 75% = Zero (0) mark; 75 – 80% = 1 marks; 80 – 85% = 2 marks; 85 – 90% = 3 marks; 90 – 95% = 4 marks & 95 – 100 % = 5 marks

b. Mid-Term (Minor) Tests – There will be one mid-term test, to be conducted when approximately 2/3 of the syllabus has been covered. This mid-term test will be for 15 marks. The stationary for the minor tests, e.g. the 20-page test booklet, will be provided by the college/ Department as the case may be, for which fee may be charged.

In laboratory courses (having only practical (P) component), the students will be tested on the basis of laboratory exercises given by the course teacher concerned.

c. Seminar / Assignment / Term Paper – The remaining 10 marks of the CCA will be awarded on the basis of seminar / assignment / term paper etc. that the course teacher might give to the students.

ii. End-Year Examination (ESE): The remaining 70% of the final grade of the student in a course will be on the basis of an end-year examination (ESE) that will be for three hours duration and will be covering the whole syllabus of the course.

Note: -

1. Only those students will be allowed to appear in the ESE who has been successful in CCA.

The registration for the ESE will be done at the time of the enrollment for the course at the beginning of the year. The fee for the ESE will also be collected at that time as decided by the university from time to time.

If a student is not permitted to appear in the ESE due to shortage of attendance beyond the exemption limit (< 50% attendance) shall be deemed to have ‘dropped’ the course. However, such candidate, on his / her written request to be made immediately, can be permitted to redo the missed year after completing the rest of the programme or whenever the course is offered subsequently. This redoing would mean complete course including CCA and ESE.
